

1. How many and what percent of your organization's annual client load are homeless individuals and families?

The 2000 US Census indicates that there was one homeless person in the City of La Verne at the time the census data was collected.

The City of La Verne contracts with Tri-City Mental health to assist in working with any homeless people that have been determined to be in need of mental health care.

2. What procedure does your organization use to identify homeless people?

The City of La Verne Community Development Department is dependent primarily upon statistical data from outside our organization to identify homeless people, including Police Department statistics.

3. How much do you estimate that your organization spends each year on services related to homeless people.

The City of La Verne grants \$20,000 per fiscal year to Tri-City Mental Health in Pomona. This organization assists anyone with mental health needs referred to them by the La Verne Police Department. If the Police Department encounters a homeless individual in need of such assistance they would that person would qualify for this assistance.
